THE MENT

Louisiana. We said yesterday that we had no lears that he would not do as much for Governor NICHOLL'S, of Louisiana. The letters of Mossrs, MATTHEWS and FOSTER ought to be able to get it in time." sufficient to remove all doubt as to the Pre-Mr. HAYES to be such men as in phatic and unequivocal statement. former times filled the high places of the Government-men whose word was statesmen of this pattern? Suppose Wash- terday says: INGTON, JEFFERSON, MADISON, MONROE, JACK-SON, TAYLOR, or HARRISON, had made such be redeemed? Certainly not; and it ought to but so far as his moral obligation to bear for an instant be doubted. Nevertheless, it that have been made to them.

Concerning Mr. HAYES'S declarations some reports have been circulated which the Louisiana congressmen contradict. Here, for instance, is one that was sent out from Washington to our own and many other papers, and never contradicted. We reproduce it: WASHINGTON, March 27, 1877.

To Governor S. B. Packard, New Orleans: President Haves said yesterday to Ellis and others, in presence of Congressman Blair, that Nicholls has no legal courts. His Supreme Court is rendering judgments and entangling property, when its judgments are entirely worthless. W. P. K.

people in this section. The New Orleans and treated the Governor. Democrat, however, took the trouble to telegraph to "Mr. ELLIS and others," and received the following:

WASHINGTON, March 26 .- Hayes did not say to Ellis or any of our delegation, nor do we believe to any one else, that the Nicholis courts are not legal. He asked Mr. Ellis what the condition of the courts is under the Constitution and laws, and whether the members of the Packard court had not been appointed by Kellogg. He inquired also what status the Nicholls Supreme Court would have before the Supreme Court of from its decisions to the Supreme Court. He said he would like to have his (Ellis's) views on the subject. He expressed no ion will be satisfactory to us. WILLIAM LEVY.

usual. Hayes said to me, "In South Caro- drawn. Jina there seems to be one Supreme Court ose legality is conceded, while in Louisiana you have no Supreme Court whose authority is undisputed." His remark was

The House is unquestionably Democratic, and will never give one dollar for the army until our people are free. Patience and a bold assertion of our rights will bring us victory in the end.

E. John Ellis.

Heating to plant the provision that the bill After debate the motion was disagreed to.

ceive somebody. These Louisiana congress- committee was concurred in. men (ELLIS and LEVY) evidently have a good deal of confidence yet left. We still fear that they are to be the victims.

Lee's Sword at Appomattox.

General LEE met General GRANT at Appomattox Courthouse, he wore "a splendid testimonial sword that had been presented to him, and doubtless intending that the ticulars. weapon should become the historic emblem of the lost cause at the national capital. by 25 ayes to 9 noes. General GRANT prevented this by gracefully the bill to-day was lost. waiving the surrender of the sword of his vanquished foe, and hastily pencilling the with which all the officers of his command were to be treated by their conqueror."

This story was denied upon the authority of General LEE himself by the Rev. J. W. Jones, secretary of the Southern Historical Society, who published a letter in the Dis- Terry, Ward, and Wortham-18. patch repeating what General LEE had said to him. The New York Times says that "munication printed in the Richmond by a letter from General GRANT; which let- morning. ter is as follows:

WASHINGTON, D. C., March 23, 1877. C. A. Boutelle, Esq., Bangor:

The Bengor Whig and Courier's account is strictly correct except in this : Nothing was said about swords, side-arms, baggage, city of Richmond. or private horses until I wrote the terms of surrender in which I gave them, at which or lets of any memorial or monumental as-General Lee was much affected, and said sociation. those terms would have a good effect upon his army.

He had on apparently an entirely new uniform and a magnificent sword-such as is not usually worn in the field-and it certainly left the impression that the expectation was to surrender it.

Nothing was said in the preliminary conversation to warrant the assumption that anything more was to be granted to the rebel army than that they were to be permitted to return to their homes on laying their persons so long as they remained there and obeyed the laws in force thereat.

Now, it strikes us that GRANT "substantiates" every point except the two which were in dispute, and that as to these he "substantiates" what Dr. Jones said of them. The Bangor Whig's statement was

that General LEE had appeared wearing a magnificent sword, which he intended should become "the historic emblem of the lost cause." General LEE denied years ago | Kent county. that he ever intended to surrender his sword. Now, how does General GRANT "substantiate" the Bangor Whig's statement? Why, he does not "substantiate" it all. He expressly declares, on the con- clauses of the act to give effect to a comprotrary, that "nothing was said about mise of the litigation in respect to the conswords," &c., before the terms were struction and effect of the will of Samuel liens given on property exempted under could never see the need for this sectional the 38d and 34th sections of chapter 49 of could never see the need for this sectional the 38d and 34th sections of chapter 49 of could never see the need for this sectional penned, but adds, "it left the impression left this impresssion. "It" left it.] Waterman, of Fauquier county, and the So that the Bangor Whig has taken the as taxes. trouble to spoil its own sensational story concerning GRANT'S "generosity" and General Lee's intention to turn over to him a "splendid testimonial sword which should "become the historic emblem of the lost

We now reproduce from "Pensonal Reminiscences of Lee? nestatement of General LEE's own account of the surrender as written down from his own lips by Dr. Jones:

" cause."

and he stated to him at once that he desired a conference in reference to the subjectmatter of their correspondence. 'General as the rights and honor of the State require, Grant returned you yoursword, did he not, and report the result of their investigation General? one of the company asked. The and action to the Senate. did not. He had no opportunity of doing J. Robertson.

so. I was determined that the side-arms of that the President of the United States officers should be exempt by the terms of the would refuse to recognize Wade Hampton surrender, and of course I did not offer him as Governor of South Carolina, but did fear mine. All that was said about swords was wearing his own sword, saying that it had gone off in his baggage, and he had been un-

LEE's account and GRANT's do not differ. sident's intention to restore home-rule to GRANT'S "impression" was not warranted the people of Louisiana, and would be by anything that was said, he being himself sufficient for that purpose if the public the witness, and it is proved to have been a knew Mr. MATTHEWS, Mr. FOSTER. and wrong impression by General LEE's em-

THE PRESIDENT'S ORGAN ON THE MATa band, whose oaths were oracles, and whose THEWS-FOSTER PLEDGE. - In a double-leaded henor no one could impeach. But are they editorial the Washington Republican of yes-

"The President was in nowise a party to the understanding, and yet he was a chief pledges as Mr. HAYES has, would anybody party to it. So far as actual authority to have doubted for a moment that they would them was concerned, he was not a party; be true of Mr. HAYES, Mr. MATTHEWS, and them out in the good secured and to be at-Mr. FOSTER, that their word could not tained by their noble conduct goes, he is a party to the pledge and should religiously keep it. Even if his views were triflingly is doubted, and doubted most by men of painted to effect the end produced, and as their own party. The Democrats have been completely without his knowledge as their only too willing to credit the fine promises faithful representation was, still, in consideration of the motive and the merit of the pledge, it should be fulfiled and they sustained, and such will be the case."

"And such will be the case." This looks as if there might be ground for hope.

General Grant is to succeed General John A. Dix as chairman of the Executive Committee of the "Union Veterans." This will disagreed to. be a great improvement. GRANT is not a humbug as a military man whatever else he may or may not be. Dix is the Sergeant bill was, on motion of Mr. HANGER, amend-BATES of officers.

Some of the northern Republican papers fiercely denounce General HAMPTON for his specches while en route to Washington. The telegraph has never contradicted this | They will change their tune when they learn falsehood of KELLOGG's for the benefit of how the President and his Cabinet received

GENERAL ASSEMBLY OF VIRGINIA.

FRIDAY, March 30, 1877.

SENATE. Senate met at 11 A. M .- Lieutenant-Governor Thomas presiding.

STATE'S INTEREST IN THE ATLANTIC, MISSIS-SIPPI AND OHIO RAILROAD. Mr. OUESENBERRY moved to take up the

report of the special committee on the the United States if appeals were taken | State's interest in the Atlantic, Mississippi and Ohio railroad. CERTIFICATE OF A SENATOR.

We had hardly expected so much liberality from a Philadelphia paper as the Telsuch steps as he may deem necessary for egraph, an independent Republican jour-

For our own part the right of the matter is very clear, nor can we see how there can be any considerable doubt on the subject. All reason and probability is on the side of Mr. Brown and his friends. They had it the 4th of March, and so defeat Mr. Hayes. but they made a party surrender unparalleled in American history; it is manifest they would not have done this under any to be cozened by generalities at such a juncture, for they knew, as the country knows to-day, that a single pracsupposable that the aftitude taken by the southerners, and which has now become historical, would have been taken under any less weighty assurance than it is morally bill was considered by sections. Various Foster secured the inauguration of the President." And even though Mr. Haves did not make the promise, it is a question if he tions in the matter of equal rights come to just this point if they mean anything.

THE MATTHEWS-FOSTER PLEDGE .- "This does not commit the President to the formal recognition of Nicholls or Hampton, or tothe immediate withdrawal of the troops. At the same time it does commit him, so far as their pledges can, to a policy that must require the withdrawal of any countenance ments, and the transfer to the rival claimants of such moral support as will result in giving to the people of those States 'the right to control their own affairs in their own way.' Of course, the technical point may be raised under this phraseology that 'the people' of South Carolina and Louisiana may mean those who elected Chamberlain and Packard, but this would be a pure evasion of the evident meaning. Everybody understands that by 'the people' of those States Messrs. Foster and Matthews meant the tax-payers, or the element that has had to bear the burdens of carpet-bag misrule."

Washington Star. [This will be the verdict of every honora-

ble man in the land.] The next Governor will be one of four men. This is, I think, a certain fact; and it is well understood here that Holliday, of the Valley, is the strongest, but the very element of his strength in the Convention ty-six pages of printed matter) was ordered will be a source of weakness, as his rivals will combine solidly against him. Daniel, of Lynchburg, comes next, and has many staunch supporters from all sections of the State; but he, too, has his element of weakness, and that apparition, like Banquo's ghost, which breaks up the festivities of the banquet-hall is old vention meets only whisper into the ear of the rural delegate that Senator Daniel is run by General Early, and you will find the R. D. voting against the genial John, first; last, and all the time. Facts are stubborn things. Why the old veterans of Lee's army look askance at the brilliant leader of the crack division of the Army of Northern Virginia is something. I don't pretend to know; I only speak of things as I find them, it not being my province to Mahone, and, though not going in the convention with as much solid strength as the others, still he has his forces better organized, and will make the bardest fight. It Mahone is beaten it will be by some unforseen combination that will triumph over his studied plans. Any disinterested betting man, looking at the case as it stands on Mahone. The fourth man, but by no

means the least, is General Fitz. Lec .-Richmond letter-Alexandria Gazette. The Richmond Whig seems to think that it is better for General Mahone that an outspoken opinion be given of the people in different sections of the State in connection natorial honors. If the Whig knew the To provide for a general index to deeds, opinion of the people in the Southwest as wills, and fiduciary accounts in counties or | well as we do, we hardly think that it would want it outspoken, or that it would be better for General Mahone that it should be .-Wytheville Enterprise,
